

Halt the Hun

Provide the boys with the things they need to make short work of him.

Help the boys get guns, clothes, aircraft, food, munitions and the ships to get over with. These are the things they need, and they cost money—hunks of it.

The Government needs money to carry on the war.

Cholera Morbus

This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Enyeart, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."—adv.

Odd Fellows, Notice.

W. A. Newton of Hartville has been re-appointed District Deputy Grand Master and will install the newly elected officers of the lodges of Wright county on the following dates:

Hartville, July 2.

Jericho, July 6.

Grovesprings, July 13.

Mountain Grove, July 25.

Norwood, July 26.

Cedar Gap, July 31.

And the other lodges, Mansfield, Rayborn and Maues, which do not install at this time of the year, will be officially visited at dates announced later.

It is the law that the elective officers have committed to memory their charges before being installed. If this is not done the deputy has instructions to postpone installation until the law is complied with.

Also, the semi-annual report must be made out between the last meeting of June and the first meeting in July, and held for the signature of the District Deputy Grand Master on his visit at the lodge.

It is the desire of the deputy that a good attendance be had at these meetings, as a School of Instruction will be held and much good along all lines of work of the order will be realized.

What Will Be Your Answer?

Many American ships with many American lives are at the bottom of the Atlantic, victims of the German lust for blood.

Our boys are going "over there," through a sea of hostile submarines, to fight that you and I at home may be safe.

But we can do something. Germany said to us, "You cannot cross the ocean with your men! You cannot fight us, because you cannot reach us!" What shall our answer be on June 28?

June 28th National War Savings Day

Let every man, woman and child join in an answer that can be heard from one end of Germany to the other—an answer so clear, so strong and so true that it may have a far greater effect than any of us can imagine, on Germany's future policy.

Let this be our answer—let every man, woman and child in this great land of ours pledge himself to buy as many War Savings Stamps as he or she can possibly afford. Let's show German autocracy that instead of

undermining our morale, sinking our ships and killing our men only stirs us to action.

If every American buys one War Savings Stamp on June 28th it will add 425 million dollars to our war fund.

But that is not enough. We must pledge five times that. Our quota for the nation is two billion dollars, to be raised through the sale of War Savings Stamps this year.

Let's strike another telling blow to the Kaiser on June 28th by taking up every dollar of that two billions.

Let the Depth of Your Pocket Show the Depth of Your Patriotism

While you are at home tonight, many American boys "over there" are out in the rain and mud dodging death from bomb and shrapnel.

While you are enjoying your evening cigar, some American soldier may be smoking his last.

The boys in the trenches are risking their lives for you; and you are not even asked to risk your money for them. But you are expected to loan your money—loan it at four per cent. compound interest, the highest rate the Government has ever paid.

Pledge yourself to buy War Savings Stamps on or before

JUNE 28th

The more money you lend the Government the sooner the war will end and the less American blood will be shed.
